

May all living beings be filled with loving kindness. May we be well. May we be peaceful and at ease. May we be happy. May all our suffering deepen into wisdom and compassion. And may we know the joy of our true nature. Let it be so.

May all living beings be filled with loving kindness. May we be well. May we be peaceful and at ease. May we be happy. May all our suffering deepen into wisdom and compassion. And may we know the joy of our true nature. Let it be so.

May all living beings be filled with loving kindness. May we be well. May we be peaceful and at ease. May we be happy. May all our suffering deepen into wisdom and compassion. And may we know the joy of our true nature. Let it be so.

May all living beings be filled with loving kindness. May we be well. May we be peaceful and at ease. May we be happy. May all our suffering deepen into wisdom and compassion. And may we know the joy of our true nature. Let it be so.
